### Speaker Guidelines

- Moderator and speakers are requested to ensure to align with the theme and adhere to time as per the Agenda.
- On logging in, the speakers are requested to be on mute with their video off. The video will be turned on by the host team as per the agenda before the session begins.
- Once the session starts, the moderator will set the context, introduce the speakers and invite him/her to share their address. Session Moderator to initiate a Panel Discussion by first inviting each panelist to speak for 15 minutes urging them to bring out 3-4 key points.

- We request you to remain on mute as the session progresses. When the moderator calls upon a speaker he/she is requested to un-mute and begins the address
- Speaker will also be able to share his/her screen with the participants to display a presentation/ Video If any (Please inform the coordinator beforehand if you have a presentation/ Video) VIT team will support.
- After completion of the session, an interaction is encouraged **based on availability of time**. For the interaction with the participants, questions will be in the available Q&A chat box and moderator could read the question and request any of the speakers to answer
- To conclude, the session moderator will take the final 2 minutes of the session, highlighting the key points made
- Please make sure you have good internet connectivity. On any clarifications with regard to IT please reach : **Mr. Parthiban (+91 8903311820), Mr. Abhinav Wadha(+919459512678)**.
